

Dear All,

Please find below the grading of the second call for the 2018 Summer Session (written test, July 6th). Students who did not pass the written test are highlighted in red. I remind you that in order to verbalize (i.e., registration of your grade on the yellow booklet and on Delphi), your presence is required (13th of July 2018, 11.00 am).

Wishing you all the very best as always,

MMingione
