

Dear All,

Please find below the grading of the call for the 2018 Autumn Session (written test, September 14th). Students who did not pass the written test are highlighted in red. I remind you that in order to verbalize (i.e., registration of your grade on the yellow booklet and on Delphi), your presence is required (17th of September 2018, 11.00 am).

Of important note, I remind all 9 CFU students that they should have delivered a marketing plan as a mandatory project in order to finalize the exam.

Wishing you all the very best as always,

MMingione
