

Joint Commission of Macro-Area

Composition

The Joint Commission between instructors and students of the Faculty (or Department) must be composed by:

- 4 Professors and Researchers, appointed by the Committee and chosen among the Professors and Researchers of the Faculty (or Department)

- 4 students' representatives, chosen among those who have not exceeded one year of "*fuori corso*" and enrolled to a Masters' Degree Programme or a Ph.D. of the Macro-Area, elected by the students regularly enrolled to a Masters' Degree Programme or a Ph.D. of the Macro-Area.

Professors and Researchers are in charge for three academic years; students' representatives are in charge for two academic years and can be re-elected once only.

The Joint Commission is competent in:

- Conducting the monitoring activities on the education provided and on the quality of teaching, as well as on the activities of professors and researchers towards students;

- Identifying the indexes for the evaluation of the results of the activities;

- Expressing opinions on the activation and suppression of Programmes [L.240/10, Art.2, g].

It annually writes a report relative to the first two points.
