The maximum amount of money you must have is the relevant sum for you multiplied by nine.

All students wishing to apply for 1 academic year need to apply for <https://www.gov.uk/visa-to-study-english>

All student wishing to apply and study for 1 semester they need to apply for <https://www.gov.uk/standard-visitor-visa> (all Non-EU need this visa in order to come and study for 1 semester – less than 6 months) At the moment EU passports/students can come and study in UK for less than 6 months without applying for a visa they need to see a border officer and get a stamp on their passport which allows them to stay for 6 months, they do not need to use the **E-GATES when they arrive** (this can change)

List of nationalities requiring entry clearance prior to travel to the UK as a visitor, or for any other purpose for less than six months : <https://www.gov.uk/guidance/immigration-rules/immigration-rules-appendix-visitor-visa-national-list>

They can self-assess their passport on here: <https://www.gov.uk/check-uk-visa>

All this information were already provided to your students.

If you have any questions do not hesitate to contact me, if you have complex questions I will have to forward them to my compliance team so it will take longer to reply.
