WE WANT YOU TO ENJOY YOUR STAY**QUALITY OF LIFE IN WIESBADEN**

Wiesbaden has numerous parks and green spaces to offer, which makes it the perfect place to relax and have a great time, especially in spring and summer! It also offers many bars and restaurants where you can meet your friends. Lots of other universities are nearby, so you'll find thousands of students in Wiesbaden and the neighboring cities of Mainz, Frankfurt and Darmstadt!

WBS – IT'S WHERE BUSINESS MEETS

Wiesbaden is in the heart of the Rhine-Main area, one of Europe's most dynamic business and cultural centers. The city has a population of about 300,000 and is the capital of the German state of Hesse. It is also home to leading insurance and publishing companies. Just a short train ride away is Frankfurt am Main, where the European Central Bank, Frankfurt Stock Exchange and some of the world's major banks have their headquarters.

TRANSPORTATION

As a student, you automatically get a semester ticket, which allows you to use all local buses and trains throughout Hesse and Mainz for free. You can reach all near-by cities at no cost. This is a great opportunity to discover Germany!

The Incoming Coordinators

FREE ACTIVITIES FOR YOU!

At the WBS, three coordinators plan activities for you every week. Many of the activities are heavily reduced in price, thanks to different financial funding from our university. These include laser tag and wine tours, just to name a few. During the pandemic we offer online museum tours and an online adventure in an escape room for you! We will greatly expand our on-site visits when the pandemic is over. Moreover, as the first weeks in a new environment can be challenging, the Wiesbaden Business School has set up a "Buddy - Program", which assigns every exchange student a German student who serves as a personal contact during your entire stay.
