*It was fantastic, the spring semester in my opinion is the best choice to do the Erasmus in Lisbon for many reason one of them is the weather condition. The cost of the life is lower than in Rome. There are a lot of Erasmus association and many Erasmus students. From Lisbon is also easy visit other city nearby, the Portugal is not very big but very beautiful.*

*The level of the courses depends of the courses that you choose, the one that I did was one easier and one equal to the level of Tor Vergata. Most of the time you have to do some assignment, for example for one exam (Corporate Governance) I had to do two presentations in class a group presentation and the other only by me for take the grade; the other course (Mergers and acquisitions) in addition to the assignment you have to do also a final exam.*
