

# REPORT ON MY ERASMUS EXPERIENCE

## **1. What is your name and which program did you attend?**

My name is Federica Forte and I'm a master student in Finance and Banking.

## **2. Where and when did you go during your Erasmus program?**

In the spring semester 2018 I was in Warsaw, Kozminski University.

## **3. How did you like living there?**

I didn't expect Warsaw such a livable city. I really appreciated living there.

## **4. What about *the University*?**

Even if the university is not in the city center, I'm fulfilled. It's a new and comfortable structure with any type of service.

## **5. What is the level of the courses? Did you find similarities to those in Tor Vergata?**

The university has a good level but Finance courses are more qualitative compared to Tor Vergata's course. In general, courses are organized with homework and projects as the Master in Finance and Banking.

## **6. Is there any particular advise that you would like to give to another student who will go there in the future?**

I suggest to go there in the spring semester due to the weather.

## **7. Do you wish to be contacted for further information by interested students?**

Yes, I do.
