

REPORT ON MY ERASMUS EXPERIENCE

1. What is your name and which program did you attend?

Simone Fortuna. Erasmus +

2. Where and when did you go during your Erasmus program?

I went to Paris 1 University for the spring semester

3. How did you like living there?

The city was great. In particular, I enjoyed the cosmopolitan atmosphere of Paris. Also, I loved to visit Country-side of France.

4. What about the University?

The University was ok, but I honestly expected more from the Sorbonne. In particular the building wasn't very good.

Also, we didn't have class for a month because of the students' protests.

Anyway, I even followed a macroeconomic course at the Paris School of Economics and I find it very helpful.

5. What is the level of the courses? Did you find similarities to those in Tor Vergata?

With regard to the courses taken at the Paris 1 I found that the level is quite similar, if not lower, than the one of the Tor Vergata courses.

Anyway, the Course I took at the PSE was quite advanced.

6. Is there any particular advice that you would like to give to another student who will go there in the future?

I don't feel to recommend the Paris 1 to any student, mainly because of the protests that took place. Anyway, the city of Paris is great. So, I recommend Paris, but not the Paris 1.

7. Do you wish to be contacted for further information by interested students?

No, I don't.
