I went to HEC Lausanne, the Faculty of Business and Economics of the University of Lausanne, for 5 months, from January to June 2017.

## **3. How did you like living there?**

Living in Switzerland is cool – everything works perfectly and you can find anything you are looking for – but is really expensive: be prepared to this!

## **4. What about *the University*?**

HEC Lausanne is one of the best business school in Europe. You can feel there an exciting environment and you have the possibility to get in touch with renowned professors.

## **5. What is the level of the courses? Did you find similarities to those in Tor Vergata?**

The level of the courses is very high, similar to those of Tor Vergata from the theoretical point of view, but maybe more applied from the practical perspective.

## **6. Is there any particular advise that you would like to give to another student who will go there in the future?**

I wrote my Master Thesis in Lausanne, and I think that it is a good way to fully exploit the resources (professors, databases, network) of HEC.
