

REPORT ON MY ERASMUS EXPERIENCE

1. What is your name and which program did you attend?

My name is Camilla and I attended the MSc in Finance and Banking in Tor Vergata University, Rome.

2. Where and when did you go during your Erasmus program?

*I went to Stockholm, Sweden, from January 2018 to June 2018.
I attended the MSc in Finance there.*

3. How did you like living there?

I loved Sweden. I loved the snowy cold winter and I loved the 16 hours of daylight. Stockholm has an excellent public transportation network which works efficiently during both winter and summer. Buses and subways make it easy to get around the city.

4. What about the University?

The University is nice. However, at the beginning of my stay I had many administrative problems. It took 3 weeks to solve all of them and this was quite annoying.

5. What is the level of the courses? Did you find similarities to those in Tor Vergata?

The courses were well organized. The professors were really prepared. I personally believe that the level was a little bit lower with respect to Tor Vergata, but I really loved the courses I attended and all the proposed activities.

At the final 4-hour exam you will not have any surprise: you will be asked only about things and issues studied during the courses. Moreover, all the students are provided with a formula sheet (you do not need to learn by heart all the formulas). The courses have many group projects and oral presentations.

6. Is there any particular advise that you would like to give to another student who will go there in the future?

Buy strong and dark curtains for your windows which can keep out strong sunlight on summer's days! Do it as soon as possible to ensure you will get the best possible night's sleeps.

7. Do you wish to be contacted for further information by interested students?

No.
