

# REPORT ON MY ERASMUS EXPERIENCE

## 1. What is your name and which program did you attend?

*My name is Cristina Gentile, and I attended the Erasmus+ program*

## 2. Where and when did you go during your Erasmus program?

*In Belgium, Gand, for all the academic year*

## 3. How did you like living there?

*I really like living in Gand, the city is outstanding and people so friendly!!*

## 4. What about *the University*?

*The UGand University is great!! I followed interesting courses as optional (ex Big Data) and I found it interesting and useful. The University offers a huge variety of courses. Professors are kind and helpful, always willing to help students.*

## 5. What is the level of the courses? Did you find similarities to those in Tor Vergata?

*The level is quite high. All courses require a continuous and intense study (due to the high level of group works and presentations during all the time of the course). So we can say that the courses are quite similar, from an organizational point of view.*

## 6. Is there any particular advise that you would like to give to another student who will go there in the future?

*The only advise is to try to create good working groups, otherwise the amount of work to bear will be too high*

## 7. Do you wish to be contacted for further information by interested students?

*Yes!! Of course.*
