

Dear Marketing Students,

Below you can find the grading from the written test related to the Winter Call of 18 January, 2023.

In general, this Call went better than the previous, with very good grades related to Q1. Again, thanks *for all your efforts and for the experience shared in class.*

Please note that where you see “CS to be delivered” it means that I will freeze the grade to get the final grade in February.

Wishing you all the very best as always (plus a nice weekend!)

MMingione
