

Jordi Vaquer is the director for Global Foresight and Analysis at the Open Society Foundations. Previously, he was the Open Society Foundations regional director for Europe and a co-director of the Open Society Initiative for Europe.

Vaquer is an affiliated lecturer at the Barcelona Institute for International Affairs and a regular contributor to Spanish media on international affairs and EU politics.

Before joining the Open Society Foundations, Vaquer was director of the Barcelona Centre for International Affairs, one of southern Europe's most influential international relations think tanks.

Vaquer graduated from the Autonomous University of Barcelona, Spain; received an MA from the College of Europe in Bruges, Belgium; and completed a PhD in international relations at the London School of Economics and Political Science.
