

## **David Cheboryot – East African Manager, E4Impact Foundation**

David Cheboryot has over 10 years' experience in the Impact Entrepreneurship landscape. Due to his solid leadership and entrepreneurial skill set, he's currently the East Africa Manager at E4Impact Foundation and oversees all the entrepreneurship programs in the region.

Previously, David was the Managing Director of CoWA, a Kenyan Local NGO that trains SMEs in income generating activities and employment linkages

On a regular basis, David authors an entrepreneurial column 'The Startup Garage' published in print and online by Kenyan Standard Newspaper. The column provides practical advice to entrepreneurs to help them scale and grow their business. He holds a degree in law from University of Nairobi and an MBA from the Università Cattolica of Milan. He is currently pursuing a PhD in Social Entrepreneurship at Tangaza University and he lectures in Business Model Design, Business Strategy, Social Impact Measurement and Business Scaling.
