Current Position

Independent Lawyer

CEO of The Insight Project | Of Counsel at AMS Avocats

Marta is a qualified lawyer assisting clients regarding corporate law, international and human rights law.

She advises clients on the legal aspects of domestic and international transactions, and provides key inputs regarding Luxembourg corporate legal matters.

At The Insight Project (Luxembourg NGO), Marta advocates for the implementation of UN SDG 16, collaborating with local authorities and Ministry of Education and Youth.

She manages, evaluates and monitors the planned activities to ensure that project milestones are completed on time, on budget and with the desired results.

Previous Positions

Vistra (Luxembourg)

Team Leader

Marta head up one of Vistra (Luxembourg) regional teams servicing clients from Southern Europe and Latin America. The multi-disciplinary teams were formed by lawyers, accountants and paralegals ensuring that client companies were in good legal standing. Together with the clients' legal advisors, Marta regularly assisted her clients in setting up their IP companies, holding and financing companies. She acted as board member together with her clients in their Luxembourg companies.

Deloitte (Luxembourg)

Manager

Dynamic and versatile professional with international exposure and experience ranging from structuring and operational management, project management (incl. budget management). Marta is an expert on domestic legal systems, as well as, cross-border planning solutions. She led her team across broad technical, financial and business disciplines.
