

# Disaster Risk Management

M6 - Recovery

# Work in group - Spending breakdown

- Identify the sum of money you manage each month (do not have to share it)
- Define your spending categories
- Assign a percentage to each category
- Example: housing %30, food %20, gas %10

# Do you have any category over 50%

Rent

Bills

No

# Work in group - you just lost 50% of your income for 1 year.

- Identify your options on revenue: loan? other?
- Discuss your options on spending?
- Decide if you can continue your studies or not

# 50% income loss - Can you keep attending GG?

# 50% income loss - what are your solutions?
