- **English, (Arabic)**

hello !Its Yağmur Öktem, 22 year old girl from Bursa,Türkiye. *I want to share my global volunteer experience in LC OGU, Egypt.*

Before I coming to Egypt, I had no idea that I would have such a great experience. I thought i will be just going to be a project volunteer and going to pyramids and maybe I am going to get bored. That's why I bought my return ticket before I left my country.

# Selection process

**Presentation**

**Register**

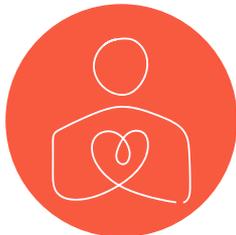

**Choosing a project  
to apply to**

**Selection**

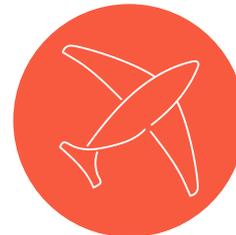

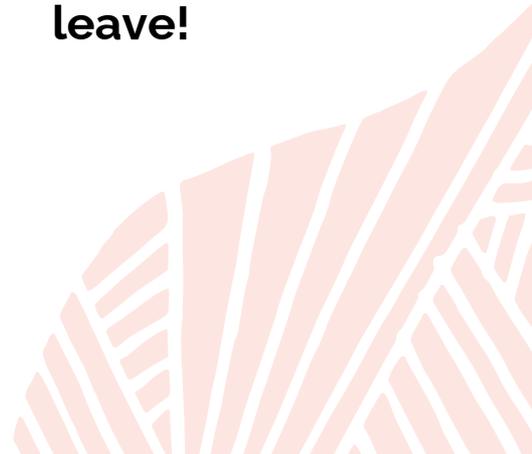

Throughout the **selection process**, we will **help you prepare** for the process (interview/video application)

**Only after being accepted, you will have to pay the fee**, we'll offer **our support** to obtain your **visa, work permit and health insurance** and inform you about all the logistics and technical aspects of the project.

**You just have to leave!**
