

Annalisa Napoleoni, born in Rome in 1978, has been working with MSF since 2016 as Association Coordinator, with responsibilities in MSF associative governance, national and international governance processes and communication towards the more than 500 association members.

She worked from 2008 to 2016 with ActionAid Italia as Governance focal person & core leadership team coordinator, where she was responsible for associative governance and she was coordinating General Secretariat internal processes. She also worked with Greenpeace Italia from 2005 to 2008, as assistant to the Executive Director. In 2003 and 2004, after the degree in philosophy and a master in Peace Building Management, she has collaborated with the Kianda Foundation in Nairobi and the Ministry of Foreign Affairs in Rome.
