Extra explanations:

- Some grades for Professor Trombetta's Special Module I are still missing. They will be entered as soon as I receive them.
- Failing both the Mid-Term and End-Term Exams implies that the student must take the Non-Attending Student Exam and will lose all previously earned grades, including the Special Module I Essay grade.
- Both parts of the End-Term Exam (General Module and Special Module II: Religion & Politics) are considered a single examination and must be passed together under all circumstances.
- The final grade is calculated differently for students who become non-attending after taking the Mid-Term Exam. In this case, the Mid-Term counts for 20% of the final grade, while the General Module section of the End-Term Exam counts for 40%.
- Students who wish to improve a component of their grade (either the Mid-Term or the End-Term Exam) are invited to attend the second summer exam session. After that, no partial resits will be available. All September examinations are Non-Attending Student Exams.
- Students who wish to improve their overall grade may take the Non-Attending Student Exam in any examination session.
