Individual Presentations

Dr. Raimondo M. Neironi

A) Please use this form to indicate which reading you would like to pick for your presentation.

- The lecturer needs to have **one student only presenting one reading**. If more than one student selects the same reading, they will need to resolve it together by changing their choices. The lecturer will not intervene in any way in the students' choice of reading.
- To enable the one student/one reading policy, the lecturer has provided **up to 50 readings** (please see below), which each student can choose from.

B) Some info on timing and composition of the presentations:

<u>Day 1 (1st block)</u>	(September 28, 2026)	8 students
<u>Day 1 (2nd block)</u>	(September 28, 2026)	8 students
<u>Day 2</u>	(September 29, 2026)	8 students
<u>Day 3</u>	(September 30, 2026)	9 students
<u>Day 4</u>	(October 1 st , 2026)	8 students

- There are 41 students enrolled in this year's course, and the presentation distribution reflects the figures provided by the student registry. Not all enrolled students may attend the course; therefore, **the list may undergo changes**, which will be promptly communicated to the class representative (Ms Aurora Conte).

C) A copy of the following form must be returned duly filled to the lecturer (raimondo.neironi@gmail.com) by **Saturday, September 19, 2026 (23:59 CEST)**:

- The form must indicate the student's first and last name, along with his/her chosen reading.
- It will be emailed to the lecturer by Aurora.
- The order of the readings on the list **does not necessarily reflect** the order of the presentations. Once the lecturer has collected the students' decisions, they will determine the presentation schedule.
