

### **Presentations**

Books for presentations are divided into sets of chapters. A set corresponds to a presentation. There are 29 sets so not all books in the list will be presented. However for a book to be presented the number of sets into which the chapters of a book have been partitioned must correspond to the number of presenters.

1) Daron Acemoglu, James Robinson *The Narrow Corridor* (2019). chaps 1-3, 4-6, 7-8, 9-11.
