DoV - Declaration of Value (Dichiarazione di valore in Loco)

The DoV is an official document which provides a short description of a certain academic or professional qualification, awarded to a specific person by an institution belonging to an educational system other than the Italian one.

The DoV usually includes the following information:

- Legal status and nature of the awarding institution;
- Requirements needed for admission to the programme ending in the qualification concerned;
- Length of the programme and/or global workload in hours/credits;
- Validity of the qualification in the awarding country to academic and/or professional ends.

DoVs are issued in Italian language by the Italian diplomatic authorities in foreign countries against presentation of the following papers:

1. Certified photocopy of the qualification concerned;
2. Legal translation into Italian of the above document.

Please note:

- Italian diplomatic authorities issue the DoV on a foreign study qualification (original / certified photocopy) after it has been legalised by the competent authorities of the awarding country;
- Before issuing a DoV, Italian diplomatic authorities check the authenticity of the qualification concerned.
- The DoV may also prove useful for recognition purposes, both academic and professional, as well as for occupational purposes (e.g. in case you wish to work in the private sector of the Italian labour market and, at the same time, avoid the procedures of legal recognition by equivalence).
