

TOR VERGATA
UNIVERSITY OF ROME

INTERNATIONAL WEEK 2027

February 2027

TOR VERGATA
UNIVERSITY OF ROME

INTERNATIONAL
WEEK
2027

Concept

The international week will offer the opportunity to attend courses managed by teachers coming from different universities.

Each course unit (8 hours) will be managed jointly by two instructors that have to design the course together.

Instructors for each course unit will be selected on the basis of the topic of their specialization and no teams will be created with faculty members coming from the same university.

Students

Student that will attend the course are second and third year students from the bachelor in Business Administration and Economics at Tor Vergata University of Rome.

Classes will be very small (10 students) in order to favour interactive lectures.
