

Guide for the activation of the Matlab software license

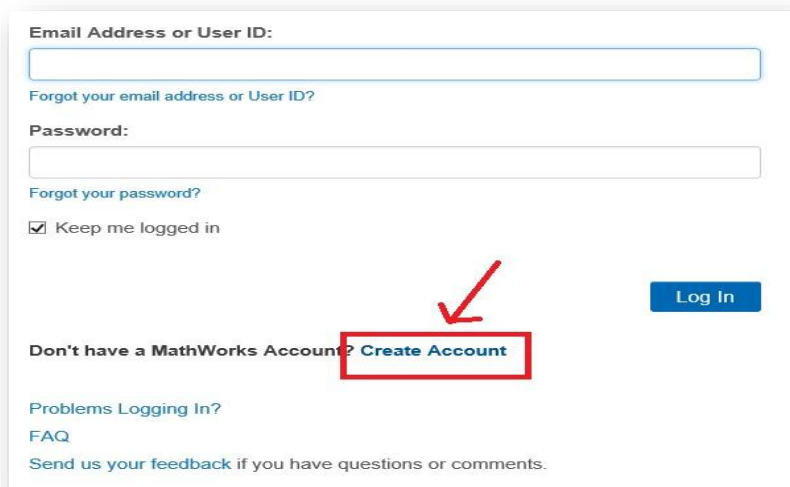

All students can install Matlab software (max 4 installations) and the related Toolboxes.
For the license activation, you need an institutional email account.

To activate the institutional email account, follow the instructions in paragraph 2.

If you already have the institutional email follow only the instructions in paragraph 1.

1- Activation Matlab License

Go to the site <http://it.mathworks.com/> and click on "Sign In" and then on "Create Account" to sign up.

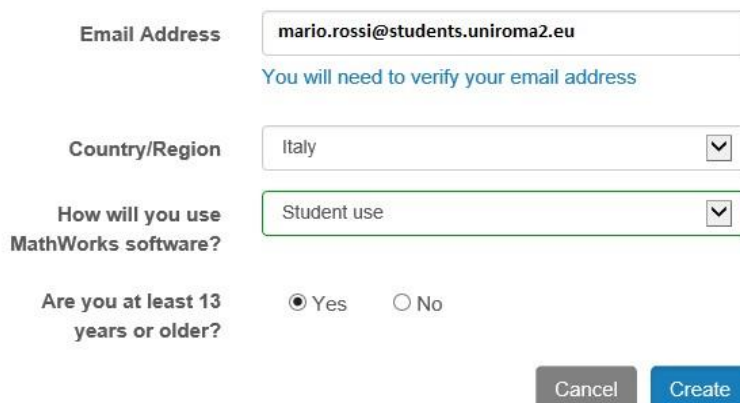

The screenshot shows the MathWorks login page. It features a form with the following elements: a text input field for 'Email Address or User ID' with a link 'Forgot your email address or User ID?'; a text input field for 'Password' with a link 'Forgot your password?'; a checked checkbox for 'Keep me logged in'; a blue 'Log In' button; and a link 'Create Account' which is highlighted with a red box and a red arrow. At the bottom, there are links for 'Problems Logging In?', 'FAQ', and 'Send us your feedback if you have questions or comments.'

Figure 1

To create the account Matworks enter as email address your institutional email address:

nome.cognome@students.uniroma2.it (name.surname@students.uniroma2.it) as in Figure 2.

Create MathWorks Account

The screenshot shows the 'Create MathWorks Account' form. It includes the following fields and options: 'Email Address' with the value 'mario.rossi@students.uniroma2.eu' and a note 'You will need to verify your email address'; 'Country/Region' set to 'Italy'; 'How will you use MathWorks software?' set to 'Student use'; and 'Are you at least 13 years or older?' with the 'Yes' radio button selected. At the bottom, there are 'Cancel' and 'Create' buttons.

Figure 2

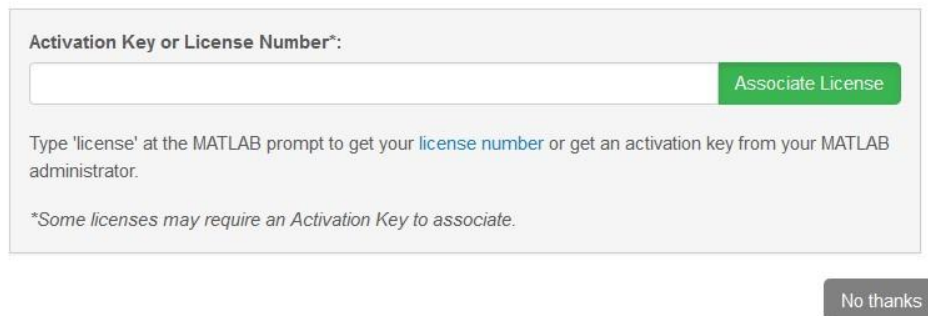

Check the email sent to your address entering on the website: <https://outlook.com/uniroma2.eu>

Click on the verification link and you will be redirected to the webpage for the creation of a Matworks account and then you will be redirected to the webpage to enter the 'Activation Key or License Number'.

Enter the code obtained from the Delphi system.

Don't miss out on extra license benefits!

Already using MATLAB? Enter the license number you are using and click 'Associate License' to gain access to additional benefits now.

The screenshot shows a web form for associating a MATLAB license. At the top, it says "Activation Key or License Number*" followed by a text input field. To the right of the input field is a green button labeled "Associate License". Below the input field, there is a note: "Type 'license' at the MATLAB prompt to get your license number or get an activation key from your MATLAB administrator." At the bottom of the form, there is a small asterisked note: "*Some licenses may require an Activation Key to associate." To the right of the form, there is a grey button labeled "No thanks".

Figure 3

Back on the Delphi system and click on "Matlab Activation Code" (Figure 4).

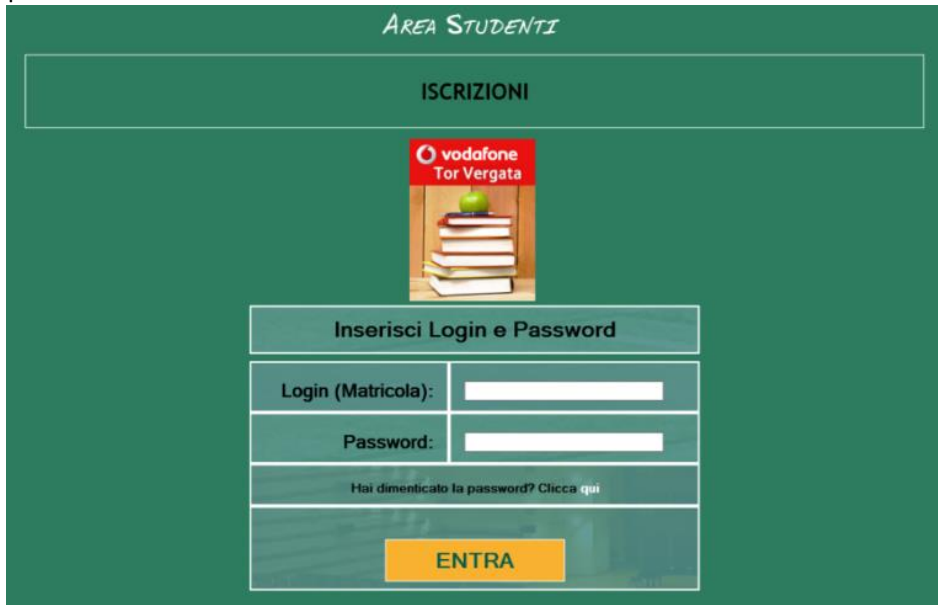

Figure 4

The student license code will be displayed.

2– Activation of the institutional email account

Go to Delphy system <https://delphi.uniroma2.it> and login with registration number (matricola) and password.

In the Student Area, click on "Activation other services" (Figure 5).

ESAME DI LAUREA	• Gestione Domanda di Laurea
ALTRI SERVIZI	• Attivazione altri servizi
	Domanda benefici per merito termini previsti dal bando per poter richiedere il beneficio sono scaricabili

Figure 5

Click on "Activation Microsoft Office 365" (Figure 6).

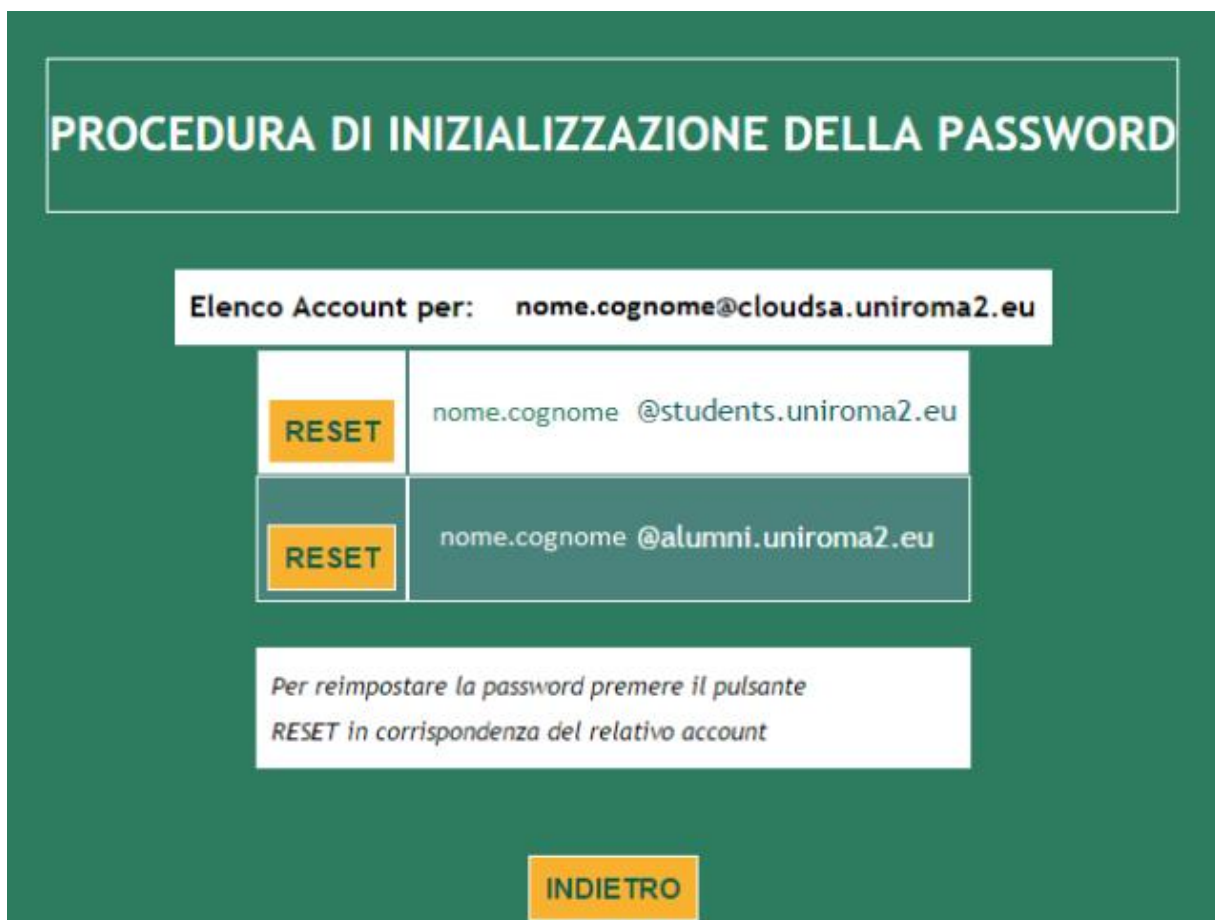

Figure 6

On the next page, click on "First Activation" (Figure 7).

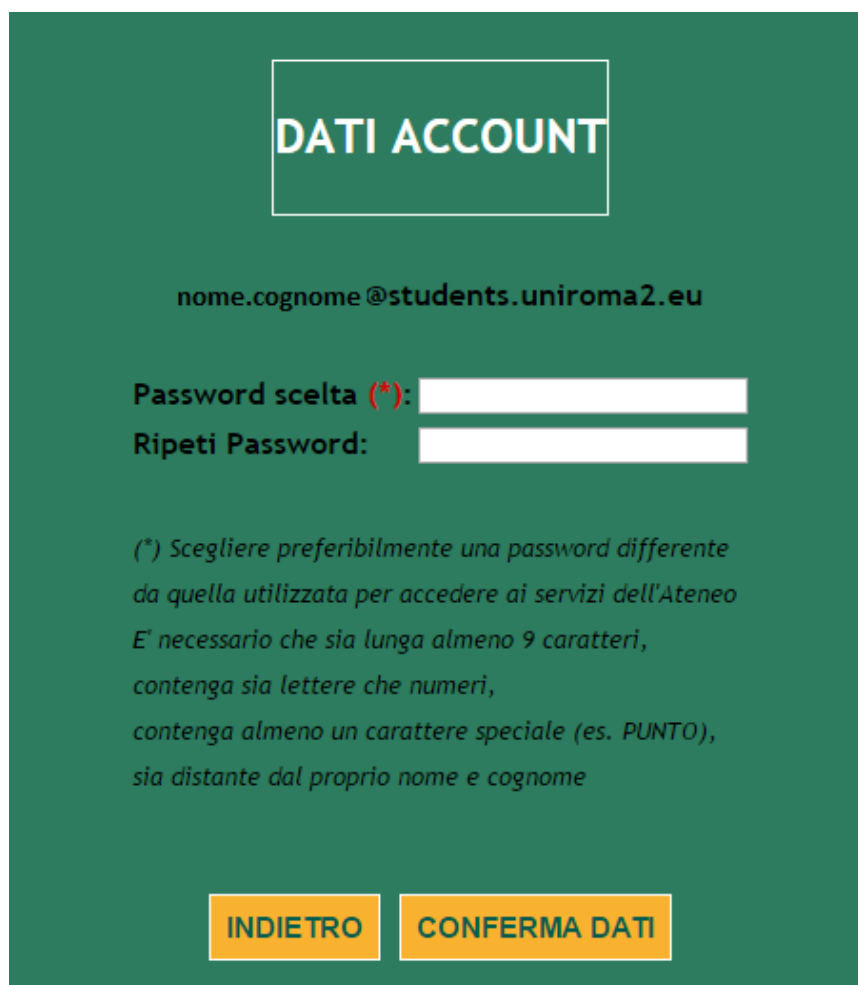

Figure 7

Select nome.cognome@students.uniroma2.it (name.surname@students.uniroma2.it). To set the password click on "Reset".

Choose a password following the instructions given on the site and click on “Conferma dati” (Figure 10).

The image shows a green background with a white box at the top containing the text "DATI ACCOUNT". Below this, the email address "nome.cognome@students.uniroma2.eu" is displayed. There are two input fields: "Password scelta (*)" and "Ripeti Password:". Below the input fields, there is a paragraph of instructions in Italian: "(*) Scegliere preferibilmente una password differente da quella utilizzata per accedere ai servizi dell'Ateneo. E' necessario che sia lunga almeno 9 caratteri, contenga sia lettere che numeri, contenga almeno un carattere speciale (es. PUNTO), sia distante dal proprio nome e cognome". At the bottom, there are two orange buttons: "INDIETRO" and "CONFERMA DATI".

Figure 10

The institutional email address will be like

this: nome.cognome@students.uniroma2.it (name.surname@students.uniroma2.it)

To access the e-mail service through the website <https://outlook.com/uniroma2.eu> the credentials are of the following type:

- User id: nome.cognome@students.uniroma2.it
(name.surname@students.uniroma2.it)
- Password: the one set
