

Building a better working world

EY Business Game Competition 2016

Build your team and lead a virtual digital Startup!

Set up your team. Unleash your entrepreneurial mindset. Lead your talent and shape your innovative idea.

Manage a virtual digital startup and compete against more than 200 teams from Italy and Spain. Do you have what it takes to win the EY Business Game Competition?

Who can participate:

Students or graduate students (last six months) in Master's Degree in Economics, Engineering or Computer Science.

Students that are enrolled in Estudios oficiales de grado in Economics and Engineering and in a Másteres Universitarios program in one of the above mentioned faculties.
