

CURRENT ISSUES IN BUSINESS

ECONOMIC STUDIES www.cibesconferences.com

We are pleased to invite you to the 4th Current Issues in Business and Economic Studies (CIBES) Conference, which will be held on **June 20-22, 2024** as a hybrid event (both online and in-person) in **Frascati (Rome), Italy**.

There are a variety of publication opportunities at the conference, including **SSCI**, **ESCI**, and **Scopus** Indexed Journals.

Here is a few examples regarding the special issues:

- **Gender Issues (ESCI/Scopus and Impact Factor: 1.9)**
- **Administrative Sciences Journal (ESCI/Scopus and Impact Factor: 3 - MDPI)**
- **Journal of Organizational Change Management (SSCI and Impact Factor: 2.8)**

Also, we are organizing the following seminars for our participants and we aim to increase the number of seminars.

- **Understanding The Nature of Qualitative Research**
- **Essential Notes on Mediation, Moderation and Conditional Process Analysis in PROCESS Macro**
- **Publishing in ESCI/SSCI/Scopus Indexed Journals**

The conference will assign **DOI** numbers for Full Paper Conference Proceedings Books and applying for indexing for the full paper proceedings.

One of the supporters for the conference is **Turkish Academy of Management** which is an affiliated and associated society of Academy of Management (USA). This makes our conference one of the unique events in the world.

The **University of Rome 'Tor Vergata'** is also among the supporters of the conference.
