

## INTERNSHIP DESCRIPTION

### Research Assistant in the Department of Economics and Finance on the research project:

*“Fertility and education in 19th century Italy”*

#### **1. Institutional details**

- Tutor name and email: Professor Carlo Ciccarelli
- Economic fields: Economic History
- Internship start date (please indicate if flexible or not): September 2022 (flexible, that is earlier than September)
- Full-time/Part-time: Full-time

#### **2. Skills and Experience required**

- Languages required: Italian, English
- Degree requirement: Enrollment in MSc Economics
- Skills required: experience in data management, Intermediate knowledge of Stata and statistical techniques.

#### **3. Job description: “Fertility and education in 19th century Italy”**

- The objective of this research project is to investigate the link between fertility and education in 19th century Italy, using geographically disaggregated data.
- The intern will be involved heavily in collecting historical data by gender on population, mortality, literacy, schooling systems, etc., but also perform some preliminary data analysis (Including geo maps based on historical shp and dbf files, etc) ,
- The intern will develop the following skills: interact with an international team of researchers, and learn how to design its own empirical project based on historical data.

**Please note:** The student must complete 150 internship hours at least 45 days prior to his/her graduation. Upon termination of the internship, the Tutor will be required to send immediate notice to Desk Imprese Economia Tor Vergata [deskimprese@economia.uniroma2.it](mailto:deskimprese@economia.uniroma2.it) with

[msc\\_economics@economia.uniroma2.it](mailto:msc_economics@economia.uniroma2.it) in copy so the student may obtain credit recognition for the internship activity.
