CONCLUSION

Bibliography

EDITORIAL STANDARD

Text should have 1,5 line-spacing with the following margins:

- upper 3 cm
- lower 3 cm
- right 2,5 cm
- left 3 cm

Text Dimension: 12.

Thesis length should be around 11e 200 pages.

INTRODUCTION

Introduction should specify the reason why you choose this topic and show the issues investigated through the thesis work. Moreover, it describes briefly the thesis structure and the methods applied in the reasearch.

Text

Further sections (including Appendixes) of the text are determined with arabic number (1, 2, etc.); if any sub-sections with notation *1.1*, *1.2*, etc.

Page Number

Starting with the Introduction, pages should be marked with the page number, at the central bottom of each page.

Graph, figure e table

Graph, figures and tabels should have a progressive number (Graph 1, Graph 2; Figure 1, Figure 2; Table 1, Table 2). Each graph, figure or table should have a brief title, and the source citation.

Formula

The number of each formula should appear in bracket on the left.

Notes

Notes should have continuous number (1, 2, ecc.) and must appear at the bottom of the page, in the footer (text dimension: 10).

CONCLUSION

This is the most important part of the work, where the answers to the topic issues described in the introduction are revealed.

It is not a resume, but a proposition from the candidate, supported by clear references and empirical evidence analyzed in details in the text.
