

REPORT ON MY ERASMUS EXPERIENCE

1. What is your name and which program did you attend?

Erminia Florio, I attend the Msc Economics at the university of Rome Tor Vergata.

2. Where and when did you go during your Erasmus program?

I went to the KU Leuven, first semester of a.y. 2015/16.

3. How did you like living there?

I really enjoyed living in Leuven. I lived in a studio placed 10 minutes to the center by foot.

4. What about the University?

The University was very good, though I found the Master exams more interesting and better done than the bachelor ones.

5. What is the level of the courses? Did you find similarities to those in Tor Vergata?

The level of courses is high, there is much more theory and less practice than in Tor Vergata. However, apart from this, I did not find large differences between the two universities.

6. Is there any particular advice that you would like to give to another student who will go there in the future?

It is better to give priority to Master courses, and especially to do the compulsory exams for the Msc Economics planned for the Erasmus time.

7. Do you wish to be contacted for further information by interested students?

Yes, my e-mail is erminia.flo@gmail.com.
