Once the capital of Poland, Krakow is considered one of Europe’s most beautiful cities with the largest square in Europe, the beautiful Jewish quarter and the 1000 year old Wawel Castle as just a few of the highlights. Included is a day trip to the sombering Auschwitz concentration camp to visit and reflect upon one of the darkest spots in history. By night this bustling student city comes alive with one of the highest concentration of bars & clubs per square mile of any city in the world so there’s always something fun from pierogi dinners to all night bars.

ABOUT EUROADVENTURES

While working as the travel coordinator and guiding trips for Gonzaga University’s Florence, Italy program in 2002, former study abroad student Shaun Hoffman, would hear from countless students attending other programs in Florence and Europe about the lack of travel options catered specifically to the study abroad student.

After two years of working at Gonzaga’s Florence program, and with his personal travel experience as a student and backpacker to his professional experience creating and leading trips from European weekends to African safaris, he founded Euroadventures in 2004 to create a specialty travel company catering to the study abroad industry.

Now in 2016, in our 15th year of business and having taken tens of thousands of customers on some pretty amazing adventures, EA is a recognized leader in the study abroad & group travel industry traveling to nearly 30 destinations and delivering lifelong memories and experiences for our customers year round!

Join us and enjoy the Euroadventures experience!
