KPMG Innovation & Collaboration Challenge 2019

The selection process is open for those wishing to participate in the **KPMG Innovation & Collaboration Challenge (KICC)**, an international competition that will challenge teams from 25 countries around the world. The KICC represents an opportunity to try to solve some of the main challenges on the planet; participants will undertake a new formative journey, explore new ways of thinking and conceiving teamwork, and experience first-hand what it will mean to be a professional in the future.
