Only exams taken at the University of Rome Tor Vergata and taken abroad as part of mobility programs will be considered. For students who have transferred from another university or another study program of this university, the commission will not take into account the recognition of the achieved credits that were earned before the time of the transfer.

In the case of an equal ranking the age of the candidates will be taken into consideration and the prize will be awarded to the younger candidate.

In the event that a number of scholarships remain unassigned, there will be no new selection.
