Lincoln English Language Assessment (LELA)

English
Language
Centre

You **must** take the LELA

If this **does not appear on your timetable**,
then you can sign up for LELA on our **website**:

<https://elc.lincoln.ac.uk/LELA/>

The purpose of LELA is to help the ELC
recommend and place you on the right
in-sessional courses.

Lincoln English Language Assessment (LELA)

The 'Lincoln English Language Assessment' (LELA) is designed to help students at the University of Lincoln whose first language is not English. This one-hour assessment will help us recommend the right level of in-sessional courses for you (**Intermediate, Upper-Intermediate or Advanced**). Previous student feedback shows that students prefer to be in classes with peers of similar level, so this is why all students who wish to attend in-sessional courses are required to take this assessment.

Don't worry, it's not a pass or fail assessment and there is absolutely no need to study or revise beforehand. The LELA has 3 sections: Integrated Reading & Writing, Grammar and Listening.

How to book a LELA session

To find out when the next LELA session is available, please email englishlanguage@lincoln.ac.uk and provide:

- Your full name
- Your student ID no.

Student Feedback

The English Language Centre teachers are extraordinary people who will explain you everything you ask about the university, essays, the UK culture, grammar or pronunciation. I am extremely grateful for their support. Thank you!

- Daniel from Romania, MSc Management and International Relations student

I really enjoyed all the courses, especially the essay writing one. It helped me a lot, I've even received a first for my first essay since attending the course!

- Helena from Poland, BA (Hons) Audio Production student

It is your team (the teachers and administrators) that make my academic study less burdensome and more exciting. You also enriched my social contacts by providing me the opportunities to make friends with people from different countries, in different programmes.

- Xiaxia Zhao (Lucy) from China, MSc International Business student
