**What can I study at UCM**

Intellectual and scientific issues, small-scale, problem-based learning, and a wide selection of courses from which to choose are the key concepts for UCM education. Our teaching staff, which is committed to offering challenging and interesting instruction, comes from nearly all the departments of Maastricht University and all over the world.

With such diversity at UCM, our variety and flexibility come natural. Our course selection spans three concentrations, Social Sciences, Sciences, and Humanities. All three of these concentrations are filled with courses designed to stimulate critical and independent thinking, self-reliance, and problem-solving skills.

OCCHIO ALLE DEADLINES!!!

# → UM: Maastricht University

- Classi formate da una decina di studenti
- Lezioni guidate da un tutor e basate su una discussione collettiva
- Esami solo scritti
- Al risultato finale concorre anche la partecipazione in classe e le presentazioni (singole e di gruppo);
- Livello di inglese medio-alto

La difficoltà non sta l'esame, ma nell'abituarsi ad un metodo diverso dal nostro!

## Consigli:

- Meglio seguire corsi di Bachelor (triennale)
- Meglio corsi con final paper come modalità d'esame
