Who we are

Tor Vergata
University of Rome
is a public University
established in 1982.

□ In 40 years Tor Vergata has become one of the most Important Italian universities with competitive tuition fees and modern student facilities;

□ Our six Schools (Economics, Engineering, Humanities and Philosophy, Law, Medicine and Surgery, and Mathematical, Physical and Natural Sciences) are located on a vast 600-hectare campus. The School of Medicine and Surgery is part of the important University Hospital compound, the Policlinico Tor Vergata (PTV)

□ The University campus is located in the South-eastern side of Rome, one of the most ancient cities in Europe, founded over 2,700 years ago.

Cultural initiative

“A Coffee with”

It consists of monthly meetings with both national and international members of the university community, during which participants will address current topics.

The discussions will be held informally by experts on the subject (here comes the idea of having a conversation while having a coffee together), in order to actively involve the participants and stimulate them to take part in the conversation.

The meetings are open to everybody and will engage various experts in the daily topic, including professors, researchers, students and administrative staff.

Courses in Italian Language for foreign

In the 1st semester of the A.Y. 2023-24, all foreign students already enrolled in Tor Vergata University can take an Italian language course for free by enrolling in the **online self-learning Italian language courses** provided by the ICoN (Italian Culture on the Net) Consortium. The ICoN Consortium – of which the University of Tor Vergata has been a member since its foundation – is a consortium of Italian universities that aims to promote and spread the Italian language and culture in the world through e-learning and new technologies.

At the end of the ICoN Courses, students who complete 100% of the activities on the platform will be issued a certificate of completion by ICoN indicating the level and number of hours of self-study. ICoN courses do not include a final exam or automatic acquisition of credits. It will be the responsibility of each student's Home University or Course Coordinator/Director to decide whether to award credits against the certificate issued by ICoN.

Students enrolled at Tor Vergata University will be able to register for ICoN courses from 5th to 25th September 2023. The link to the registration procedure is going to be published on this page by 5th September 2023. All enrolled students – except absolute beginners – will take an online placement test to be placed in the most appropriate level.

For further information on the courses or the registration procedure students can write to: iconromadue@italicon.it
