TYPES OF FACE-TO-FACE INSTRUCTION

Face-to-face instruction has been classified in different types:

- ▶ 1. Clases Expositivas (TE): This term refers to the lectures. Here, the professor is the one who speaks, with hardly any students' participation.
- ▶ 2. Prácticas de Aula (PA): Sometimes translated as seminars. Discussion activities or practices of a certain topic will be carried out in this type of classes. Students' involvement is crucial.
- ▶ 3. Prácticas de Laboratorio (PL): Practical activities that might be carried out in the computer labs or similar facilities. Students may work both individually or in groups.
- ▶ 4. Tutorías Grupales (TG): Group tutorials. Scheduled activities made in order to follow the process of students' learning. The professor meets a small number of students in order to guide them in their autonomous work. Moreover, doubts about the subject are also asked here.
