**Health insurance  
requirements**

Students coming from within the European Union with access to the public health system in their home countries will be able to use their [European Health Insurance Card](#). This card entitles students to any necessary healthcare during a temporary stay in any of the [EU member states](#) or in countries from the [European Economic Area](#), at any outpatient department or health center near their accommodation.

Students coming from a non-EU country must bring their own international medical insurance policy to cover their healthcare needs in Spain. Students should also bring an insurance company document detailing the extent of such coverage.

[Bilateral Health Agreements](#) with Spain should bring their corresponding documentation with them from their home country and apply to be assigned a general practitioner physician at the health center nearest to their accommodations.
