The screenshot shows the West Virginia University website's course selection page. At the top is the university's logo and name. Below it is a breadcrumb trail: [Student](#) • [Registration](#) • [Select a Term](#). The main heading is "Select a Term". Below this is a form with the label "Select a Term for Class Search". Inside the form is a dropdown menu with the text "Select a term..." and a downward arrow. An orange circle highlights the dropdown menu. Below the dropdown is a "Continue" button.

Click "Fall 2024". Courses between semesters at WVU are typically the same. If the course catalog for the semester you'll be at WVU hasn't been published yet, you can refer to the previous same semester. For example: you want to come in Fall 2025 but those courses aren't published -- look at what is offered in Fall 2024 to select your courses.
