My Courses

Add this course to "My Courses" in order to:

- be instantly updated by email about course activities;
- take advantage of the other personalized services that will be available on the student portal.

Student authentication

Matricola*

Password*

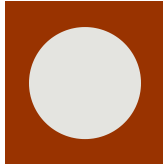

Is it the first time you are entering this system?

Use the following link to activate your id and create your password.

» [Create / Recover Password](#)

Submit

An e-mail which contains a link for generating a password will be sent to the e-mail address you entered when you submitted your online application form through Mobint.

Access My Courses

After you have generated your password, click again on **MY COURSES** and in the blank **Student Authentication**, write down your *matricola* and the *password*.

My Courses

Add this course to 'My Courses' in order to:

- be instantly updated by email about course activities;
- take advantage of the other personalized services that will be available on the student portal.

Student authentication

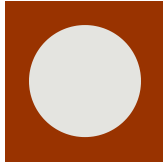

Matricola*

Password*

Then click on **ADD TO MY COURSES**. Then you can click on **GO TO MY COURSES**

Add to 'My Courses'

Go to 'My Courses'

Customized Timetable

Now you'll view all the courses listed in your student's profile. If you click on **CUSTOMIZED TIMETABLE**, you can find all your courses with the schedule and the room where lectures take place (if the professor uploaded the information yet)

Important Notices

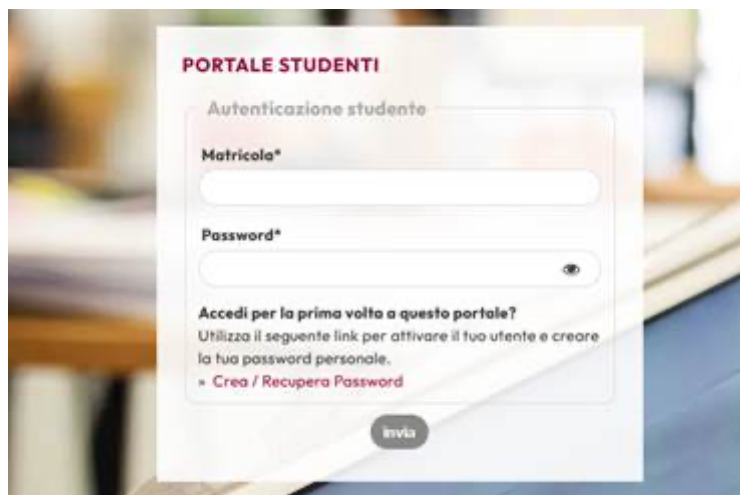

Please note that the password to register for the course is different from the one created to enter the Student Portal (Delphi system).

When the course is over (once your exam is done and you will not have anything to do with it anymore), please remember to unsubscribe your name from it.

Kindly remember that it is mandatory to subscribe to all the courses you will attend on this platform: the course page will be fundamental for you in order to be effectively connected with the Professors (communications and last-minute notice, exam grades, material, assignments...)

Direct Link

An easy and fast way to enter your student's profile (following the enrollment in courses and after you have created your customised timetable) is through this link: <https://economia.uniroma2.it/studenti>

A screenshot of a web form titled "PORTALE STUDENTI" in red. Below the title is a section "Autenticazione studente" containing two input fields: "Matricola*" and "Password*", both with asterisks indicating they are required. The "Password*" field has a small eye icon to its right. Below these fields is a text block: "Accedi per la prima volta a questo portale? Utilizza il seguente link per attivare il tuo utente e creare la tua password personale." followed by a red link "» Crea / Recupera Password". At the bottom of the form is a grey button labeled "invia". The background of the image is a blurred view of a desk with books and papers.
