### About Morningstar Italy

Morningstar Italy is a subsidiary of Morningstar, Inc., a leading provider of independent investment research in North America, Europe, Australia, and Asia. The company offers an extensive line of products and services for individual investors, financial advisors, asset managers, and retirement plan providers and sponsors, such as *Morningstar Direct*, a global investment analysis platform that unites all of Morningstar's data and institutional research, rigorous indicators and advanced tools. Morningstar provides data on more than 500,000 investment offerings, including stocks, mutual funds, and similar vehicles, along with real-time global market data on more than 17 million equities, indexes, futures, options, commodities, and precious metals, in addition to foreign exchange and Treasury markets. Morningstar also offers investment management services through its investment advisory subsidiaries, with more than \$170 billion in assets under advisement and management as of Sept. 30, 2015. The company has operations in 27 countries.
