CFA® Program Student Scholarship Overview

CFA Institute scholarships are part of our commitment to promoting the highest standards of ethics, education, and professional excellence. The CFA Program Student Scholarship is offered exclusively through the [University Affiliation Program](#) which consist of academic institutions that embed a significant portion of the [CFA Program Candidate Body of Knowledge \(CBOK\)](#)—including the [Code of Ethics and Standards of Professional Conduct](#)—into their curriculum.

An Affiliated University signals to their students and the industry that their curriculum is closely tied to the practice of investment management and is helpful to students preparing for the CFA Program exams.

Scholarships are awarded by the Principal Contact (PC) at each participating university and many require additional information as part of a complete application package. If applicable, before submitting your scholarship ensure you attach the necessary documents as detailed in the [Additional Requirements Before Submission](#) pdf. If your university is not, you are not required to provide any additional documentation as part of a complete application submission.

Eligibility

Students currently attending an Affiliated University and have not yet registered for their next exam are eligible to apply for a CFA Program Student Scholarship. Students must also satisfy the [Enrollment Criteria and Requirements for CFA Program](#).

Please refer to the [CFA Program Enrollment Requirements FAQs](#) for further questions.

Student Scholarship Award Information

When the Principal Contact at your university submits their decision, you will be notified by email immediately. There is no timeframe available for when your application will be reviewed as each Principal Contact makes review decision at their discretion.

If you are 'Selected for Award'...

The CFA Program Student Scholarship waives the one-time program enrollment fee, and discounts the exam registration fee to USD350, which includes access to the curriculum and all available study tools. This discounted price (USD350) will be reflected only at the final page of the exam registration checkout process.

We advise you to choose the exam offering that best accommodates your study routine and [register early](#) to ensure adequate time to prepare for the exam. Your award will be available within five to seven business days from the date of award and will expire one-year from the date of award. It is your responsibility to be aware of and abide by the [important exam dates](#) and [register](#) for your exam within the one-year time frame.

Once your CFA Program Student Scholarship is available the discounted price of USD350 (plus any applicable local taxes) will only display on the final page of the exam registration checkout process. If it is not reflected, please contact our Global Contact Center for further assistance. ([Toll-Free Numbers](#))

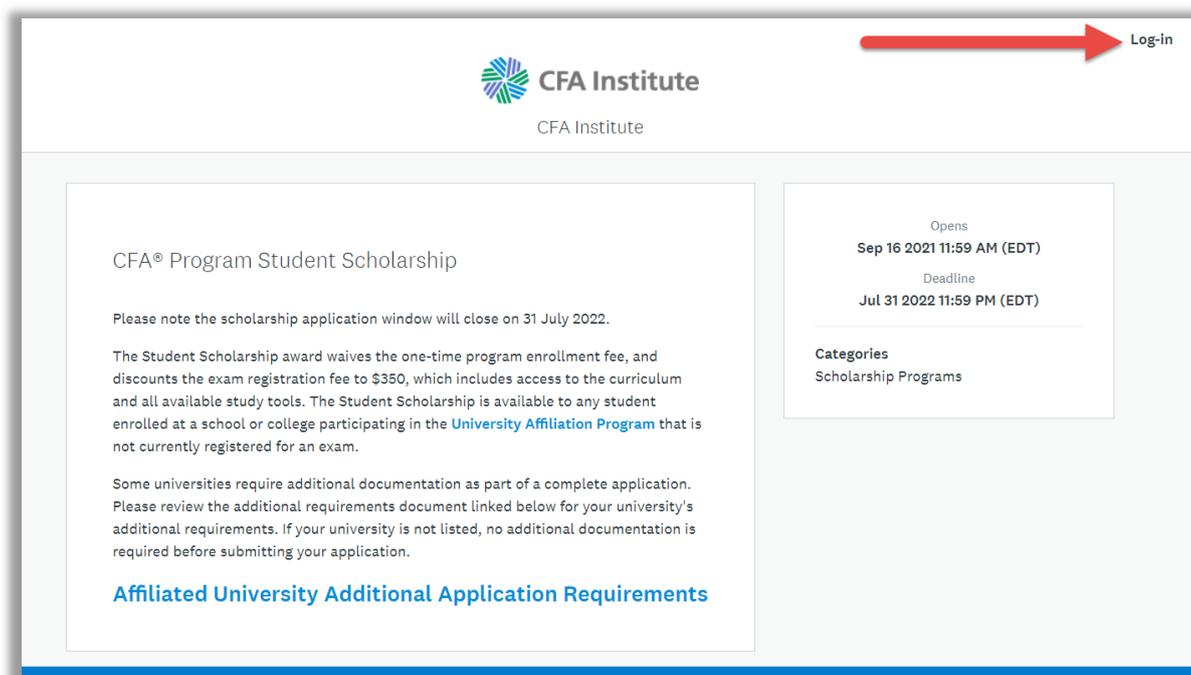

If you are 'Not Selected for Award'...

We encourage you to continue to pursue your CFA Program goals and to support you in your efforts, we would like to offer you the early exam registration fee for your next exam registration. It will be available for use within five to seven business days from the date of award. It is your responsibility to be aware of and abide by the **important exam dates** and **register** for the exam within the one-year time frame.
