

**New call for international research
degree thesis abroad
a.y. 2020-2021**
University of Rome Tor Vergata

Description

The goal of this call is to finance scholarships for students regularly enrolled at master or single cycle degree at the University of Rome “Tor Vergata”

Aim

The main purpose of the program is to allow a research period for the preparation of the degree thesis (only for master or single cycle degree) in European or non-European countries at universities or non-university structures (such as private and public institutions, laboratories, libraries, research institutions, archives, etc.).

Deadline

The deadline for application is scheduled for Friday 23 April, 2021 (12.00) and students that will be selected have to complete the mobility nit later than December 31st, 2021.
