## WELCOME TO TOR VERGATA UNIVERSITY

The University of Rome Tor Vergata was founded in **1982**. It is ranked among the world's Top 100 less-than-50-year old Universities by QS®.

**The Campus** is about 40 minutes tube ride from the historical city centre of the "Eternal City", Rome, and 20 minutes far from the peaceful Castelli Romani area, notorious for its vineyards and hillside landscape.

Our **six Schools (Economics, Engineering, Humanities and Philosophy, Law, Medicine and Surgery, and Mathematical, Physical and Natural Sciences)** are located in a vast 600-hectare campus. Each School is provided with its own library, teaching and research facilities, reading rooms, laboratories, canteens and green areas where students can experience a real campus life.

The **School of Medicine and Surgery** is part of the important University Hospital compound, the Policlinico Tor Vergata (PTV), where students can benefit from health care and physical emergency assistance.

Furthermore, Villa Mondragone, one of the most beautiful amongst the Tuscolana villas, has become the University of Tor Vergata Congress Centre. It is remembered as the "House of Life" for having hosted and saved children from the Holocaust. Many prestigious national and international congresses are held yearly at Villa Mondragone.

**Studying in Rome** will add an amazing cultural perspective to the quality of your studies. You will live in a city where you can perceive the passing of time simply by strolling across its central streets: ancient, Middle-Age, Renaissance, Baroque, Neoclassicism and Modern Rome are ready to be discovered.

It is a centre for inter-religious debate and a place where the founding Treaty for the European Union was signed. In Rome you will be able to enjoy all this, surrounded by a gentle climate, arts and music, fashion and food.

**Rome embraces Tor Vergata: let Tor Vergata embrace you!**

## HEALTH INSURANCE

Having a valid health insurance in Italy is essential to request a residency permit. If you have already stipulated an insurance policy in your country of origin and it was validated by the Italian representation before you left, you can use it for the first issue of your residency permit. Otherwise, after arriving in Italy you will have two opportunities: either registering with the **National Health Service (SSN)** or stipulating a private policy.

### 1. National Health Service

The registration with the **National Health Service (SSN)** will provide you with complete health assistance. You will be assigned to (or you can choose) a general practitioner (also called "family doctor").

Registration is valid for one calendar year (from January to December).

#### How to register at the post office:

Fill in the slip and pay € 149.77 (postal current account no. 370007) in the name of **"Tesoreria Provinciale dello Stato, Regione Lazio"** and write the following description in the dedicated space:  
**"iscrizione volontaria al SSN year...."** (which means 'voluntary registration with the SSN' for the year in question)

Go to the closest **ASL** office (Local Health Authority). The closest one to Tor Vergata University is situated in **Via di Torrenova, 138** (other addresses can be consulted at [www.salute.gov.it/](http://www.salute.gov.it/)). You have to bring with you the payment receipt.

### 2. Private Health Insurance

As an alternative to the National Health Service (SSN) you might consider subscribing a private health insurance policy with any private insurance agency that provides the cover of emergency healthcare treatments in public hospitals. The majority of them are valid for 6-12 months from the payment. To take out the policy and obtain information on how to sign the health insurance contract, you have to contact the chosen institution asking for the procedure.

## GRADES AND CFU(ECTS)

In Italian Universities grades are given on the basis of 30 points: 18 is the lowest passing grade (sufficiency), and 30 is the highest grade. In case of particularly outstanding performances, a "lode" can be assigned and the grade is registered as 30 cum laude (30L online). You will be awarded the relevant university credits only if you pass the exam of a course.

Exams are usually worth 6 or 12 credits. The Transcript of Records is being filled once you have passed each exam included in the Learning Agreement.

**Please note: the failed exams will be listed neither in your Grade Booklet nor in the Transcript of Records.**

Therefore, you will not be awarded the equivalent university credits.

The ISEE (Equivalent Economic Situation Indicator) certificate is the instrument used to evaluate the economic situation of students who are eligible for benefits. This can be obtained by combining and considering three elements: income, assets and family.

In accordance with current Italian legislation, the only ISEE considered valid for the calculation of tax brackets and other benefits provided by the University is either:

- the ISEE-University for students with the family income in Italy
- “Scheda Raccolta Dati per indicatore parificato universitario” (equivalent document of the ISEE-University) for students with the family income abroad. To obtain an ISEE-University certificate, students must provide details regarding their incomes and assets in Italy and their incomes and assets abroad of each member of their family.

The certificates of incomes and assets need to be issued by the competent authorities in the country where the incomes are produced. They must also be officially translated by the Italian Diplomatic Authorities of that country together with the income expressed in Euro.

A “**no-tuition fee area**” is foreseen for students who have an ISEE-University value between 0 Euro and 13,000 Euro (students will have to pay only the regional fee and the revenue stamp).
