# FS Italiane strategic plan: our vision is based on 5 strategic pillars

#### STRATEGIC PILLARS

Modal integration for passengers

Integrated mobile solutions mainly through:

- Growth in the rail and road Local Public Transport sector
- Entry into new market segments (e.g. Long Distance road transport)
- Integration of rail and road transport services of the local railways

Integrated logistics

Development of integrated logistical services through (i) more efficient traction (cost optimisation/km) and service quality with the creation of the MERCITALIA hub, (ii). Entry into new segments to offer an end – to – end service

Integrated infrastructures

Creation of an integrated infrastructure hub to ensure better effectiveness in the programming, planning and management of transport infrastructures through (i) integration with ANAS, (ii) consolidation of railway network under concession

International development

- Participation in international infrastructural projects as a General Contractor and/or O&M services
- Growth in international rail transport services
- Growth in international LPT

Digital & Customer Centricity

- Development of an Extended Customer Experience to integrate mobility and ancillary services
- Continuation of the FS Group'S transformation into a Data Driven Company and Digital distruptor

# Industrial plan 2016/2026

#### **Strategic pillars**

Integrated mobility for travellers

# • Renovation of service contract and Renovation of regional fleet: signed contract for 9 years in Sardinia and Trento and Bolzano, Liguria, Veneto (14 years); Negotiation in Abruzzo, Marche, Toscana, Umbria, Lazio, Puglia, Calabria. Signed a contract of 4 mld for the production of 450 new regional trains since 2019.

Already done

- Integrated ticketing: Unica Veneta, Umbria GO, Unica Piemonte, Unica Emilia Romagna
- Bus Long Haul: acquisition of SIMET, Busitalia Fast
- Freccia Link: kick- off new Freccialink service

Integrated logistic

- Kick off Mercitalia Group composed by: Mercitalia logistics, Mercitalia Rail, Mercitalia Transport & Services, Mercitalia Shunting & Terminal, TX Logistik Group, Intermodal, Teralp
- TX Logistik: Launch for strengthening international competitive positioning Swiss corridor

Integrated infrastructures

- ANAS joins FS Italiane Group
- Railways granted: Ferrovia centrale Umbria, Ferrovie Emilia Romagna, Ferrovie del Sud EST
- Underground: FS Italiane acquired 36.7% stake (equity and shareholder loan) held by Astaldi in M5 SpA
- Smart Station: stations like intermodality hub (Verona Porta Nuova); turnstile 2.0 (kick-off Leonardo Express turnstile, testing on Roma Viterbo line), reorganized different legal entities under RFI (after having sold GS Retail)

Internatioanl development

- Trenitalia UK- C2C: 200 MIn€ profit, 600 employees, 74 Bombardier trains. 400 railway connection, 42mIn of passengers for year that using 26 stations from London to Shoesburyness.
- **QBUZZ**: the third-largest local public transport operator in Holland (Utrech and Groningen Drenthe), for a gross consideration of 30 million euros.
- Trainose: the leading Greek railway undertaking with a recorded revenues for Euro130 million and a net profit of Euro 2,7 million

# The future of employment: how susceptible are jobs to computerisation?

# «47% of Jobs Will Disappear in the next 25 Years» Says Oxford University

# The future of employment: how susceptible are jobs to computerisation?

The authors, Frey & Osborne, examine how susceptible jobs are to computerisation, by implementing a novel methodology to estimate the probability of computerisation for 702 detailed occupations, using a Gaussian process classifier.

## World Economic Forum: 10 top soft skills for 2020

# The fourth industrial revolution will transform the way we live and the way we work. Some jobs will disappear, others will grow and jobs that don't even exist today will become commonplace.

The **World Economic Forum** has identified the top 10 skills required for 2020.

An attempt to identify the areas in which we should direct the commitment of individuals to improve and prepare to enter the world of work and make a career

#### The 10 skills to need to thrive in the fourth industrial revolution

#### TOP 10 SKILLS

#### In 2020
