- 12. The Bachelor of Arts in Global Governance offers interdisciplinary teaching, which aims to prepare professionals to face global challenges that require specific legal and economic competencies, as well as a wide range of technical knowledge and skills to manage cultural mediations. With regard to the issues that your sector faces, can they be addressed by relying only on a single field of knowledge or do they require the melding of several specialties?**

A mix of several specialties and a well rounded profile can be important success factors in consulting. A focus on quantitative and economic disciplines can help to develop Problem Solving skills that are crucial in consulting.

- 13. One of the main goals of the B.A. in Global Governance is to support the academic education of our students with a professional training so as to better identify their potential work opportunities after they graduate. For this reason, Global Governance encourages training programs and internships within institutions, firms and organizations, both in Italy and abroad, selected on the basis of their prestige and quality of the experience. Do you think that these activities are important for the placement of our students (after graduation or after completion of a master degree program) in the labour market?**

Training programs and internship opportunities are important to all students to have a more concrete experience of the labour market.

I think that Internships can be more useful, for students, at the last year and with a length of at least 12 weeks; this could give the interns a better understanding of the job and the company and allows the interns to have a more complete experience and to give their contribution.

- 14. Global Governance is implementing the so-called "Mentors Project". The main purpose of the project is to provide advice to students regarding choices on future studies and/or**

20. Do you think that the professional figures that the course intends to train will be in demand on the labour market over the next ten years?

10 years is a long period. Flexibility and being able to approach diverse disciplines are very important to face a very fast changing market.

21. Would your company/institution be interested in offering internships to Global Governance students? If yes, are there any specific prerequisites or competences that our students should have in order to be selected to carry out the internship?

McKinsey usually offer Internships only to Master of Science students.
